Agenda

1. Introductions
2. Training - What is the role of the S.A.C.?
3. Review the Unified Improvement Plan
4. Select officers
5. Open discussion, topics for next time, and agenda for future meetings.

Introduction:

Principle Kevin Denton introduced participants to the initial meeting of the SAC.

Training:

Principle Kevin Denton explained the difference between the SAC and other school committees such as the Parent Action Committee. Principle Denton explained the role of the SAC as an advisory committee to make recommendations to the STEAD Board. The School Improvement Planning is due in October 2022 and the SAC will be able to advise and give recommendations but not vote on the final submissions concerning school spending and budget.. SAC will assist with increasing parent and community involvement and voice the needs and concerns of the community. SAC will provide advisory input regarding Principle's performance. There will be one meeting per quarter of the SAC. SAC will review bylaws. SAC will review Survey data from Students. The survey will be issued in the Spring of 2022. All SAC meetings will be OPEN meetings and must be posted ahead of time. Minutes of Meetings must be posted.

Each SAC meeting will review approved minutes, review the UIP, discuss budget priorities and discuss safety, grant, and other issues. SAC will discuss the characteristics of the Charter.

Select Officers

Due to the size of the initial meetings, officer selection will be postponed to a future meeting.

Open Discussion

The Stead School

School Accountability Committee

November 17, 2021

Suggested to start a documentation book to store documents and meeting minutes.

Adjournment: Kevin Denton adjourned at 7:18 PM

Following meeting: January 13, 2022 at 5:30PM
